Tia P.

RAPPER | ACTRESS | SINGER | SONGWRITER | PERCUSSIONIST

Hailing from Inglewood, CA Tia P. is a driven, passionate and charismatic talented artist, producer, musician and songwriter whose lyrical prowess is unmatched. Influenced by the likes of Missy Elliott, Pharrell Williams and Lauryn Hill. Tia P.'s soul embodies the essence of Erykah Badu, the funk of D'Angelo, the storytelling of Bahamadia and the brashness of Jean Grae.

A prominent feature on BET's Next Big Thing, Tia has opened for the likes of KRS 1, Bootsy Collins, DJ Quik and the list goes on. However, over the past few years until this very moment, Tia P. has thrived beyond even her own ideas of what she would be. She has become a familiar face of television, a familiar voice of soundtracks and scoring and she has found herself in this hotbed space of musical, theatrical and a marketable evolution.
